## Box Bench Modular

Tailor a seating arrangement to your space using modules in three seat widths – 90cm, 80cm, and 70cm.

Pieces are anchored together with concealed steel hardware – and are easily de-linked when it's time to re-arrange.

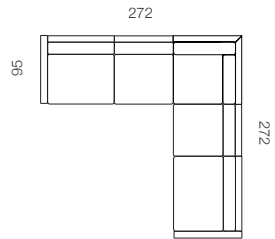

Built with resilient Dunlop Enduro seat foam, and reversible back cushions that are pocket-filled with fiber and duck feather.

- Made for SOFACRAFT by a second-generation family-run manufacturer in Melbourne
- Frame built with solid wood rails that are kiln-dried and corner-blocked
- Seat deck fitted with Italian made webbing
- Bench seat has a core of Dunlop Enduro foam
- Reversible back cushions are pocket-filled with duck feather and fiber
- Matching feather blend scatter included for each arm
- Steel alligator clips are fitted as standard, these may be omitted upon request

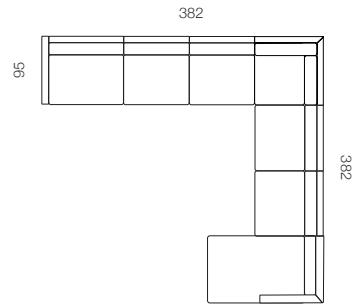

Modular and sectional versions are available to custom order - please enquire with the store. Please allow for a +/- 1 to 2cm tolerance in key dimensions, to account for variations in padding and upholstery, and the hand-made nature of our sofas.
