161CM SOFA 1 RIGHT ARM, 2 BACKS / 2 SEATS

## Scandi Sofa

Defined by high padded arms - angled for leaning into, and lounging back.

Seat comfort is enhanced by a pocketed wrap of duck feather and fiber, around a core of high resilience foam. Both the seat and the back cushions are fully reversible.

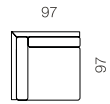

- Made for SOFACRAFT by a second-generation family-run manufacturer
- Frame is built in-house, with hardwood rails that are kiln-dried and corner-blocked to prevent warping
- Seat deck fitted with Italian made webbing
- Reversible seat cushions contain Australian made high-resilience foam, with a pocketed wrap of duck feather and fiber
- Reversible backs pocket-filled with duck feather and fiber blend
- Matching feather blend scatter included for each arm

**STUDIO VERSION ALSO AVAILABLE WITH A REDUCED FRAME DEPTH OF 95CM**

Modular and sectional versions are available to custom order - please enquire with the store. Please allow for a +/- 1 to 2cm tolerance in key dimensions, to account for variations in padding and upholstery, and the hand-made nature of our sofas.
