## Slab Modular

A smartly unadorned modular system, offering the flexibility of three seat widths – 90cm, 80cm, and 70cm.

Each width is available as an armless or 1- arm seat; and can be paired with corner modules to configure layouts in L or U- shapes.

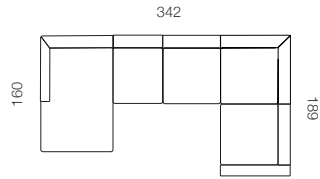

Modules are anchored together with concealed steel hardware – and are easily de-linked when it's time to re- arrange.

- Made for SOFACRAFT by a second-generation family-run manufacturer in Melbourne
- Frame built with solid wood rails that are kiln-dried and corner-blocked
- Seat deck fitted with Italian made webbing
- Bench seat and backrests are padded with Australian made high resilience foam, with comfort wrap
- Matching feather blend scatter included for each arm
- Steel alligator clips are fitted as standard, these may be omitted upon request

Modular and sectional versions are available to custom order - please enquire with the store. Please allow for a +/- 1 to 2cm tolerance in key dimensions, to account for variations in padding and upholstery, and the hand-made nature of our sofas.
