Block Modular

MADE IN AUSTRALIA

Neat, tailored, and fuss-free. Block's bench-style seating is both resilient and comfortable, thanks to a layered mix of quality foams.

A foundation of extra-high-density foam is laminated to a core of Dunlop Enduro foam, and topped with a layer of Luxura memory foam. The more you sink into Block, the more supportive it is.

Components are fully-upholstered on all sides, allowing the flexibility to place pieces together, or apart.

- Made for SOFACRAFT by a second-generation family-run manufacturer in Melbourne
- Frame built with solid wood rails that are kiln-dried and corner-blocked
- Seat deck fitted with Italian made webbing
- Quality Australian made foams

Steel alligator clips are fitted as standard, these may be omitted upon request.

Modular and sectional versions are available to custom order - please enquire with the store. Please allow for a +/- 1 to 2cm tolerance in key dimensions, to account for variations in padding and upholstery, and the hand-made nature of our sofas.
