## Landscape Sofa

### MADE IN AUSTRALIA

A low-slung frame is refined by subtle curves, and a comfortable tapered arm.

Fully reversible cushions throughout - including seating made of high-quality Australian foam, wrapped in resilient duck feather and fiber.

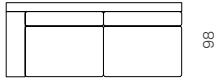

- Made for SOFACRAFT by a second-generation Melbourne maker
- Frame built in-house, with hardwood rails that are kiln-dried and corner blocked
- Seat deck fitted with Italian made webbing
- Reversible seat cushions contain Australian made high-resilience foam, with a pocketed wrap of duck feather and fiber
- Reversible backs are pocket-filled with duck feather and fiber
- Includes two matching 55cm x 55cm scatter pillows per sofa

Modular and sectional versions are available to custom order - please enquire with the store. Please allow for a +/- 1 to 2cm tolerance in key dimensions, to account for variations in padding and upholstery, and the hand-made nature of our sofas.
