## Hilton Sofa

## **CONFIGURATIONS**

## **MADE IN MELBOURNE**

Made for SOFACRAFT in Melbourne by craftspeople with a rich family history of crafting fine furniture.

The Hilton sofa is a modular system heavily influenced by the postmodern curves found in furniture from the late 70s and early 80s. A particularly elegant style that can be customised from compact to grande, the Hilton is sure to be the talking point of any interior space it is placed in.

- Seat deck fitted with Aussie Dunlop suspension base
- Featuring high resilience foam seat cushions and backrests, softened with dacron wrap
- Numerous modular configurations available
- Customisable coverings
- Steel aligator clips provided
